Celebrating over 95 years of support for beekeeping
and beekeepers in and around the Medway Towns

Swarm Collection in Medway

Medway Beekeepers are a voluntary association of local beekeepers, who are willing to help collect Honey Bee Swarms in the **Medway Area**.

Honey Bee Swarm

Bumble Bee

Wasp's Nest

Wasp

Tree Bumble Bee

However, before you phone the number shown below, look at the photos at the top of the page and try to identify what kind of insect it is. If you are unable to see the type of insect here, another useful place to look for photos and descriptions is the 'Bees Wasps and Ants Recording Society' at: www.bwars.com.

If you decide that you have a honey bee problem, then you can call **MBKA** on: **07399823948** and we will get back to you as quickly as possible.

You can also look for swarm collection contacts on the **BBKA Website** at: www.bbka.org.uk

As they are volunteers, the beekeepers, **may ask for expenses to cover their travel costs to you**. This is to ensure that members are not left out of pocket when answering your call.
